

Scholarship Application

Northwest Christian Sports League

We would like to have as many children participate in our sports program as possible. Some families that are experiencing financial difficulty may have a hard time enrolling their children in a sports program. NCSL offers scholarships to families in need on a case-by-case basis. The league's ability to offer this opportunity is determined by the generosity of our sponsors and other families who have decided to help those families in need.

Please follow these steps to apply for a full or partial scholarship:

1. Fill this form out in its entirety.
2. Write a short but informative paragraph regarding your scholarship need.
3. Submit both this Scholarship Application and the one-paragraph letter of application to NCSL using one of the methods provided below. **Please allow two weeks for processing.**
